

REMARKS:

Claims 1-14 are pending in the application. In the Office Action dated March 15, 2006, the Examiner objected to the specification for not showing heat, or Q, as a reactant in the reaction in paragraph [0031], and rejected claims 1, 9, and 14 under 35 U.S.C. 112, second paragraph, as being indefinite.

In this amendment, paragraph [0031] and claims 1, 9, and 14 were amended in accordance with the Examiner's suggestions. Paragraphs [0017] and [0037] were amended to correct minor informalities. No new matter was added.

In view of the foregoing, Applicant believes all claims now pending in this application are in condition for allowance. The issuance of a formal Notice of Allowance is respectfully requested.

Authorization is granted to charge any outstanding fees due at this time for the continued prosecution of this matter to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310 (matter no. 060944-0128).

Respectfully submitted,

---

Jessica C. Stahnke (Reg. No. 57,570)
